## **VALUES**

- We believe in Leeds 11, its people and its future
- We believe that we can each become more than we are
- We believe that the cultural and social diversity of Leeds 11 are its unacknowledged riches, that each individual and culture brings something to the table from which we can all gain nourishment
- We believe in equality, social justice and respect for other human beings regardless of race, class, gender, sexuality, dis/ability, nationality or any other feature of difference
- We believe that “the village raises the child”, that we lead interdependent lives and that we have a responsibility for each other’s well being
- We believe in minimising our carbon footprint and promoting good practice in environmental sustainability in all our activities
- We believe in striving for excellence in everything we do, and in doing it with a smile
- We believe in the principles of openness, transparency, accountability and fairness
